Value for money

 The **BENEFIT** that you gain will be much **MORE** than saving on the face. Our existence means that you **DON'T** have to maintain a permanent staff hence further saving a long list of hidden costs associated with MPF scheme, medical plan, annual pay leave, and so on. What's more, you can enjoy **REAL** professional service which is equivalent to a managerial grade in the trading field.

Our **CORE** business,  
Trade Support Services, is our **STRENGTH** as well.

WE offer a wide range of trade support services including but not limited to handling Letters of Credit (L/Cs), import/export (I/E) documents, shipping documents, banking documents, bank bills negotiation and collections, ship booking, cargo insurance, and I/E trade declaration.

Target Clients: I Import & Export trading companies  
II Buying agents  
III Offshore trading companies  
IV Manufacturers

## Shipping ~ Count on us!

- Degree holder
- Coordinate between supplier, forwarder and banker
- Handle full set of I/E shipping, L/C and banking documents
- Follow up orders, document and payment status
- CO application and Tradelink declaration
- Other ad hoc duties upon request
- Mature, hardworking and independent
- Good command of English and Mandarin

**BURST** is your **SMART** choice.

*"We do much better than others; we do much more than others"*

coz we are **PROFESSIONAL**

- WE are only a tiny minority of trade services providers that have acquired all-round professional qualifications such as CDCS, CMILT, ANZIIF (Mem), Tradelink Certification, all of which reflects our expertise in various aspects of international trade.
- Our quality level can hardly be compared by those stick to provision of rigid trade services.

coz we are **CONCENTRATED**

- WE are committed to providing high quality trade support services enabling enterprises to focus on developing their core business.
- Since we have earned over 15 years' practical experience in Trading, we fully understand corporate clients' actual needs.
- While other subcontractors are just selling trade services on the side, we are 100% engaged in it.

**Note:-**

CDCS: Certified Documentary Credit Specialist = L/C Specialist  
CMILT: Chartered Member of Institute of Logistics and Transport  
ANZIIF (Mem) : Member of Australia and New Zealand Institute of Insurance and Finance  
Tradelink Certification : Tradelink Certified Trainer on Electronic Trade Declaration
